Dear Deane

I am living in Azarbaijan(Asia-middle east). We have very much distance of USA. If I will buy a book of USA, one year late receive it. Corsini books is very help to our that better understanding various approaches. I have very much interesting your works. You are very open-handed person. I have very much appreciated for you. Thank for all your helps
Best wishes

Ahmadi

Dear Ahmadi,

Thank you for your kind note.

Your project sounds very interesting.

Chapter 12 (below) is what you are asking about. The other articles may or may not be helpful....

Keep up the good work

Namaste, Prof S.

Dear Deane H. Shapiro,
Jr.

I am researching about CONTEMPLATIVE
PSYCHOTHERAPIES.

Unfortunately we have very problems in accessibility references. If you can please send to me your chapter CONTEMPLATIVE
PSYCHOTHERAPIES.

Case Studies in Psychotherapy by Raymond J. Corsini and Danny Wedding

I am very very much appreciated for you

Best wishes

Ahmadi
