

HUMAN/NATURE OBSERVATIONS

Boat seeks to overtake wake ...
which it has caused

You stumble in nature, yet catch
it to keep you from falling

J: Cute – nature both a risk and a salvation

Noboribetsu, Hokkaido, Jigokudani (Hell Valley)

== Noboribetsu ^{Jigoku Dani} bubbling sulfur & steam
from beneath cratered ~~ground~~ ^{ground}. Concrete
example of mystery beneath surface.

J: Nice interpretation

== Japanese temples, set in nature, don't
appear alien. Man creates nature as nature,
and that man created nature merges
with nature

Another good observation that the Japanese temples mastered the trick of blending with,
mimicking, their natural surroundings
